DAZZLING COLOURS

With 7 standard colours to choose from, our RGBW Lights can be matched to give the perfect enhancement to your pool at night. With 3 Colour Transition Modes, (Smooth, Fade and Disco) pool parties are elevated to the next level.

BRIGHTNESS CONTROL

We have even thought to add 3 brightness levels so not only can you select the right Colour or Mode for your surrounds, you can even choose the right level of output as well

SLIM DESIGN

The slim profile allows for minimum intrusion into the pool maintaining the sleek modern look of today's pools and the one piece moulding prevents any water ingress.

FOR ALL POOLS

With Niche Kits to suit concrete or fibreglass installations, Surface Mounts for vinyl and fibreglass and Retrofit kits available to replace outdated pool lights the SLX lights are suitable for every pool.
